Note: The current fee charged and adopted new fee are the base fees assessed for a profession. For some professions, the fee in rule may be different from the fee charged. In 2005, the department reduced fees administratively for some professions. For these professions, the current fee charged as listed in the table is less than the amount in rule. The total fee due includes, if applicable, any surcharges such as an impaired practitioner program or the University of Washington (UW) online access fee (HEAL-WA). An asterisk (*) indicates fees with a surcharge.
