RE: CN13-15A2

Dear Mr. Halbeisen:

Enclosed is Certificate of Need #1515 issued to DaVita HealthCare Partners approving the establishment of DaVita Colville Dialysis Center in Stevens County. At project completion, DaVita Colville Dialysis Center will have six approved stations as noted on the certificate.

The certificate is not approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.

This decision may be appealed. Any affected person with standing may request an adjudicative proceeding to contest this decision within 28 calendar days from the date of this letter. The notice of appeal must be filed according to the provisions of Revised Code of Washington 34.05 and Washington Administrative Code 246-310-610.

This decision may be appealed. The two appeal options are listed below.

Appeal Option 1:

You or any interested or affected person may request a public hearing to reconsider this decision. The request must state the specific reasons for reconsideration in accordance with Washington Administrative Code 246-310-560. A reconsideration request must be received within 28 calendar days from the date of the decision at one of the following addresses:
