Tumwater, WA 98501

Dear Ms. Sigman:

Total Renal Care, Inc., a subsidiary of DaVita Inc. (hereafter "DaVita"), hereby submits a letter of intent for Nonspecial Circumstances Cycle 1 to apply for a Certificate of Need to establish a new twenty-six (26) Certificate of Need-approved station, plus one (1) exempt isolation station, dialysis facility in the Clark County ESRD Planning Area (hereafter "Clark County"). In accordance with WAC 246-310-080 and 246-310-806, the following information is provided:

A Description of the Services Proposed:

DaVita proposes to establish a new twenty-six (26) station, plus one (1) Certificate of Need-exempt isolation station, dialysis facility that will provide and support in-center hemodialysis. Although it may not be necessary to provide this additional information in the LOI, in an abundance of caution we also note that this project will include creating the capability to offer home hemodialysis and peritoneal dialysis in the future at this facility.

Estimated Cost of the Proposed Project:

DaVita's capital expenditure associated with this project is estimated to be **\$3,764,121**.

Description of the Service Area:

The service area will be the Clark County ESRD Planning Area.

We look forward to continuing to serve dialysis patients in Washington.

Sincerely,

Rudy Lai  
Director – Special Projects  
DaVita, Inc.
