CERTIFIED MAIL # 7008 1300 0000 7202 9515

Sanford M. Melzer, Sr. VP  
Seattle Children's  
4800 Sand Point Way NE  
Seattle, WA 98105-0371

Dear Dr. Melzer:

Enclosed is Certificate of Need #1440 issued to Seattle Children's Hospital and Regional Medical Center approving the addition of 100 pediatric acute care beds in the expansion of the Seattle Children's Hospital. At project completion the total licensed bed capacity for Seattle Children's will be 350 beds (311 acute care beds, 19 NICU Level III and 20 Psychiatric).

The certificate is not approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.

This decision may be appealed. The two appeal options are listed below.

Appeal Option 1:

You or any interested or affected person may request a public hearing to reconsider this decision. The request must state the specific reasons for reconsideration in accordance with Washington Administrative Code 246-310-560. A reconsideration request must be received within 28 calendar days from the date of the decision at one of the following addresses:
