Wear a cloth face covering or mask to reduce the spread of COVID-19
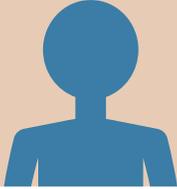

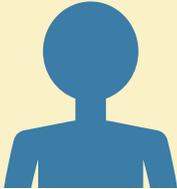

You may have the virus **even if you don't have symptoms.**
If you are unvaccinated, protect yourself and others by wearing a cloth face covering or mask. If you are vaccinated, consider wearing a mask when you are indoors.

person with COVID-19	person without COVID-19	chance of spreading COVID-19
neither person wearing face covering + less than 6 feet apart		very high
only healthy person wearing face covering + less than 6 feet apart		high
only person with COVID-19 wearing face covering + less than 6 feet apart		medium
both wearing face covering + less than 6 feet apart		low
both wearing face covering + at least 6 feet apart 6'		very low
staying home		virtually none
