Contract: L116013 – Illumina Inc. Consumables

Description of Purpose: The Department of Health’s (DOH) intends is to enter into a sole source contract with Illumina Inc. for Illumina consumables that are used by the Public Health Laboratory’s Illumina test equipment.

Criteria or Rationale: The Department of Health’s Public Health Laboratory (PHL) is charged with various state of Washington health testing responsibilities. To meet this mission the PHL owns and operates multiple Illumina Inc. test equipment units that requires proprietary test kits, reagents, etc. (consumables). These items are not available from any other source. Without the consumables, the equipment will be rendered useless and this will impact the mission of the Public Health Laboratory and will negatively impact Washingtonians.

Projected Contract Value: Up to $2.5 million over five years of contract life. The contract is an indefinite quantity and indefinite delivery (IDIQ) contract.

Period of performance: Start: DOH date of execution (DOE) following approval from the Department of Enterprise Services. Anticipated to be on or around Friday October 25, 2018 and end by October 24, 2023.

Vendor inquiries, equal capabilities, responses, and timelines: Please correspond no later than 5:00 pm Tuesday October 16, 2018 to: Bids@DOH.WA.GOV: Subject line must reference L116013.
