RE: CN15-08

Dear Mr. Schultz and Mr. Petrich:

Enclosed is Certificate of Need #1463A-TA issued to Franciscan Health System dba CHI Franciscan Health and Harrison Medical Center approving the amendment of Certificate of Need #1463A-T issued to Franciscan Health System and Harrison Medical Center on July 14, 2014. This amended Certificate of Need approves a change in the capital expenditure.

The certificate is not approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.
This decision may be appealed. The appeal options are listed below.

**Appeal Option 1:**
Any person with standing may request a public hearing to reconsider this decision. The request must state the specific reasons for reconsideration in accordance with Washington Administrative Code 246-310-560. A reconsideration request must be received within 28 calendar days from the date of the decision at one of the following addresses:

**Mailing Address:**
