The Commission acknowledges and affirms its confidence in the academic standards set by the American Council on Pharmaceutical Education (ACPE) in assuring the quality of pharmacists’ and pharmacy technicians’ continuing education (CE) programs.

In addition, the Commission recognizes the value in attending and participating at commission business meetings for post-licensure professional pharmaceutical education. Commission approval of non-ACPE continuing education programs is permitted under chapters Washington State Administrative Code (WAC) 246-861 and 246-901.

The Commission shall grant 1.5 contact hours (0.15 CEUs) of continuing education credit for attending each half-day commission business meeting. Pharmacists and pharmacy technicians seeking continuing education credit for attendance/participation must sign-in on meeting attendance sheet and complete a learning assessment form.

Three credit hours (0.3 CEUs) are the maximum allowed for commission meeting attendance/participation within each license renewal cycle.

A certificate of attendance will be issued by the Commission as proof of CE credits earned. The Commission will track the number of CE hours issued to a pharmacist and date earned. Records shall be maintained by the Commission for no less than 4 years.
