Do NOT use for expedited rule making

Agency: Department of Health

Subject of possible rule making: Chapter 246-339 WAC--Blood establishments. The Department of Health (department) is considering amendments to certain provisions of the chapter regarding the department's registration requirements for blood establishments that except hospitals from providing proof of a Federal Drug Administration license. The department may amend other rules in the chapter or make grammatical corrections as needed.

Statutes authorizing the agency to adopt rules on this subject: RCW 43.70.040 and chapter 70.335 RCW

Reasons why rules on this subject may be needed and what they might accomplish: The department is considering amending the chapter in response to a petition received in August 2017. The petition was received following the final adoption of new chapter 246-339 WAC--Blood establishments, filed on June 23, 2017, under WSR 17-14-026. The rules were adopted pursuant to Substitute House Bill 2580 (Chapter 47, Laws of 2016), which was later codified into chapter 70.335 RCW.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None

Process for developing new rule (check all that apply):
- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe) Collaborative rule making

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
