RE: Certificate of Need Application #18-01

Dear Ms. Couture:

Enclosed is Certificate of Need #1733 issued to Providence Health & Services approving the addition of three operating rooms to the existing Providence Surgery and Procedure Center in Spokane Valley, within Spokane County.

The certificate is not an approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.

This decision may be appealed. The appeal options are listed below.

Appeal Option 1:
Any person with standing may request a public hearing to reconsider this decision. The request must state the specific reasons for reconsideration in accordance with Washington Administrative Code 246-310-560. A reconsideration request must be received within 28 calendar days from the date of the decision at one of the following addresses:

ISSUANCE OF THIS CERTIFICATE OF NEED IS BASED ON THE DEPARTMENT’S RECORD AND EVALUATION DATED FEBRUARY 20, 2018 (CN App #18-01)

Project Description
This certificate approves the addition of three operating rooms to Providence Surgery and Procedure Center located in Spokane Valley, within Spokane County. Services provided in the three additional operating rooms are gastroenterology/endoscopy procedures, digestive health services, and pain management. Other procedures that may be provided in the three operating rooms include those that could be performed under a local anesthesia but that do not require sedation of the patient. Examples include wound closures excision of lesions, such as lipoma, sebaceous cysts and mole removal, removal of foreign bodies, urology procedures, such as cystoscopy, circumcision, urodynamics, or vasectomy, hand-trigger finger procedures, and general procedures, such as those for an umbilical hernia or breast biopsy.

At project completion, Providence Surgery and Procedure Center will have a total of seven operating rooms. Surgical types to be provided in the seven operating rooms include bariatrics, ophthalmology, ENT, gastroenterology, gynecology, general surgery, orthopedics, spine, plastics, podiatry, urology, vascular surgery, pain management, cardiovascular, oral/maxillofacial, oncology, thoracic, and neurosurgery.

The surgery center will provide care to patients of all ages who require surgical services, are not expected to require hospitalization, and can be served appropriately in an outpatient surgery setting.

Conditions

1. Providence Health & Services agrees with the project description as stated above. Providence Health & Services further agrees that any change to the project as described in the project description above is a new project that requires a new Certificate of Need.

2. Providence Health & Services will maintain its license as an ASF under WAC 246-330 for Providence Surgery and Procedure Center.

3. Providence Health & Services will maintain Medicare and Medicaid certification for this Providence Surgery and Procedure Center, regardless of facility ownership.

4. Percutaneous Coronary Interventions (PCI) as defined in WAC 246-310-705 will not be performed at Providence Surgery and Procedure Center.

5. Providence Surgery and Procedure Center will provide charity care in compliance with its charity care policies reviewed and approved by the Department of Health. Providence Health & Services will use reasonable efforts to provide charity care at Providence Surgery and Procedure Center in an amount comparable to or exceeding the average amount of charity care provided by the four hospitals located in Spokane County, within the Eastern Washington Region. Currently, this amount is 1.05% of gross revenue. Providence Health & Services will maintain records of charity care applications received and the dollar amount of charity care discounts granted at Providence Surgery and Procedure Center. The department requires that these records be available upon request.
