RE: Letter of Intent

To whom it may concern,

Comfort Hospice LLC, submits a letter of intent, proposing to establish a new Medicare certified and Medicaid eligible hospice agency in Clark County, state of Washington. In conformance with the requirements of WAC 246-310-080, here is some information:

1. Description of proposed services:
   Comfort Hospice LLC proposes to establish a locally owned and operated Medicare certified/Medicaid eligible hospice agency located and servicing Clark county.

2. Estimated Cost of the Project:
   The capital required to establish this agency, is estimated to be $77,000.

3. Descriptions of the Service Area:
   The primary service area for Comfort Hospice LLC, will be Clark County.

If you have any other questions regarding this letter of intent, please do not hesitate to contact me.

Thank you kindly,

Crina M. Horga
