Everett, WA 98201

RE: CN13-31

Dear Mr. Kelly:

Enclosed is Certificate of Need #1511 issued to Puget Sound Kidney Centers approving the establishment of Puget Sound Kidney Centers Monroe in Snohomish County planning area #2. At project completion, Puget Sound Kidney Center Monroe will have twelve approved stations as noted on the certificate.

The certificate is not approval for any other local, federal, or state statutes, rules, or regulations. Such a project may also need Department of Health approval for a construction plan and facility licensing or certification, as well as other federal or local jurisdiction permits.

The Certificate of Need is valid for two years. The project must begin during this time. If there is substantial and continuing progress, we may extend the certificate for one six month period. For an extension, you must submit an extension request at least 120 days before the expiration. You cannot begin a project after the expiration date.

This decision may be appealed. Any affected person with standing may request an adjudicative proceeding to contest this decision within 28 calendar days from the date of this letter. The notice of appeal must be filed according to the provisions of Revised Code of Washington 34.05 and Washington Administrative Code 246-310-610.
A request for an adjudicative proceeding must be received within the 28 days at one of the following addresses:

**Mailing Address:**
Adjudicative Service Unit  
Mail Stop 47879  
Olympia, WA 98504-7879

**Other Than By Mail**
Department of Health  
Adjudicative Service Unit  
111 Israel Road SE  
Tumwater, WA 98501

We monitor projects until completed or the expiration date, whichever occurs last. We do this with quarterly progress reports. At least 30 days before the report’s due date, you will receive a form to complete and return.

If you have any question, please contact Janis Sigman, Manager of the Certificate of Need Program at (360) 236-2955.

Sincerely,

[Signature]

Steven M. Saxe, FACHE, Director
