#### Location Scope:
This policy applies to all of MultiCare Health System, to include but not be limited to the following locations: MultiCare Tacoma General Hospital/Allenmore Hospital, MultiCare Mary Bridge Children’s Hospital, MultiCare Good Samaritan Hospital, MultiCare Auburn Medical Center, MultiCare Deaconess Hospital, MultiCare Valley Hospital, MultiCare Covington Medical Center, Home Health and Hospice Services, and all associated ambulatory and retail sites of care to include primary care and specialty clinics, ancillary services, surgery centers, and urgent care centers.

#### Policy Statement:
MHS does not exclude, deny benefits to, or otherwise discriminate against any person on the basis of race, color, creed, religion, age, disability, national origin, language, marital status, sex (including pregnancy), sexual orientation, gender identity or expression, veteran or military status, or any other basis prohibited by federal or state law in admission to, participation in, or receipt of the services and benefits under any of its programs and activities, whether carried out by MHS directly or through a contractor of any other entity with which MHS arranges to carry out its programs and activities.

This policy applies to MHS Personnel’s interactions with patients, vendors, guests, and visitors of MHS. For questions regarding employment discrimination involving MHS, please see the MHS Policy and Procedure “Equal Employment Opportunity and Employment Law.”

#### Procedure:
MHS Personnel will:

1. Treat all patients and visitors receiving services from or participating in other programs of MHS, with equality in a welcoming manner that is free from discrimination based on race, color, creed, religion, age, disability, national origin, marital status, sex (including pregnancy), sexual orientation, gender identity or expression, veteran or military status, or any other basis prohibited by federal or state law.

   Provide notices to patients regarding this Nondiscrimination Policy and MultiCare Health System’s commitment to providing access to and the provision of services in a welcoming, nondiscriminatory manner.

2. Inform patients of the availability of and make reasonable accommodations for
patients consistent with federal and state requirements. For example, language interpretation services will be made available for non-English speaking patients and sign language interpretation will be made available for hearing impaired patients.

3. Afford appropriate visitation rights to patients free from discrimination, and will ensure that visitors receive equal visitation privileges consistent with patient preferences, safety and other applicable policies. At the time patients are notified of their patient rights, Hospital Personnel will also inform patient, or patient’s support person, including the patient’s attorney in fact, when appropriate, of the patient’s visitation rights, including any clinical or safety restriction on those rights, and the patient’s right, subject to the patients consent, to receive visitors whom the patient designates.

4. Determine eligibility for and provide services, financial aid, and other benefits to all patients in a similar manner, without subjecting any individual to separate or different treatment of the basis of race, color, creed, religion, age, disability, national origin, marital status, sex (including pregnancy), sexual orientation, gender identity or expression, veteran or military status, or any other basis prohibited by federal or state law.

### Special Instructions:

Any person who believes they or any specific class of individuals have been subjected to prohibited discrimination, such person may file a complaint with MHS Compliance or through the Integrity Line.

All reports will be investigated by the Corporate Compliance Department. The availability and use of this procedure does not prevent a person from filing a complaint of discrimination with the U.S. Department of Health and Human Services, Office for Civil Rights.

No person will suffer retaliation for reporting discrimination, filing a complaint or cooperating in an investigation of a discrimination complaint.
