An acute care hospital may not be the appropriate setting for all reproductive health services listed below. Some reproductive services are most appropriately available in outpatient settings such as a physician office or clinic, depending on the specific patient circumstances.

The following reproductive health services are generally available at the above listed hospital:

### Abortion services
- [ ] Medication abortion
- [ ] Referrals for abortion
- [ ] Surgical abortion

### Contraception services
- ✔ Birth control: provision of the full range of Food and Drug Administration-approved methods including intrauterine devices, pills, rings, patches, implants, etc.
- ✔ Contraceptive counseling
- [ ] Hospital pharmacy dispenses contraception
- ✔ Removal of contraceptive devices
- [ ] Tubal ligations
- [ ] Vasectomies

### Emergency contraception services
- ✔ Emergency contraception - sexual assault
- [ ] Emergency contraception - no sexual assault

### Infertility services
- [ ] Counseling
- [ ] Infertility testing and diagnosis
- [ ] Infertility treatments including but not limited to in vitro fertilization

### Other related services
- ✔ Human immunodeficiency virus (HIV) testing
- ✔ Human immunodeficiency virus (HIV) treatment
- ✔ Pre-exposure prophylaxis (PrEP), post-exposure prophylaxis (PEP), prescriptions, and related counseling
- ✔ Sexually transmitted disease testing and treatment
- ✔ Treatment of miscarriages and ectopic pregnancies

### Pregnancy-related services
- [ ] Counseling
- [ ] Genetic testing
- [ ] Labor and delivery
- [ ] Neonatal intensive care unit
- [ ] Prenatal care
- [ ] Postnatal care
- [ ] Ultrasound

### Comments; limitations on services; other services

This hospital does not have a Labor & Delivery unit.

- Some services listed on this form may be provided when medically indicated.
- Operations, treatments, and medications that have as their direct purpose the cure of a proportionately serious pathological condition of a pregnant woman (patient) are permitted when they can be safely postponed until the unborn child is viable.
