**HISTORY OF EXPOSURE**

Submitter Comments: ___________________  For PHL Use Only: N  R

**ATTENTION:** (See Instructions on Reverse Side of Form)
GENERAL INSTRUCTIONS:

- ALL SUBMISSIONS MUST BE PRE-APPROVED BY LOCAL HEALTH JURISDICTIONS
- PLEASE PRINT LEGIBLY.
- Please fill out the requisition form COMPLETELY. Delays in processing the specimen or reporting results may occur if information is incomplete.
- Send specimens to the PHL as soon as possible to help ensure valid test results.
- All specimens being shipped must meet DOT (Department of Transportation) and US Postal Service regulations. It is the shipper’s responsibility to ensure that packages being shipped meet these regulations.
- Specimens mailed with insufficient postage will not be delivered by the Postal Service.
- This form replaces: Laboratory Report and Animal History DOH 303-013
- Do NOT use this form to submit specimens to any laboratory other than the Virology Laboratory. Separate forms are available from the PHL Microbiology Laboratory Test Menu Site at http://www.doh.wa.gov/ForPublicHealthandHealthcareProviders/PublicHealthLaboratories/Forms. Using the incorrect form may delay processing of the specimen.
- To obtain additional requisition forms or collection kits, please contact the PHL Mail Room at (206) 418-5579.

Instructions to clarify Type of Exposure
- Select all that apply based on the following descriptions:
  - Check bite if victim(s) bitten by the animal
  - Check saliva if victim(s) had saliva exposure from non-bite/scratch
  - Check bat in sleeping area if victim(s) potentially exposed while sleeping
  - Check scratch if victim(s) scratched from claws
  - Check bare skin contact if victim(s) had direct bare skin contact with bat or a bite is unknown
  - Check animal only if animal exposure has occurred but no human exposure
  - Check none (surveillance only) if animal being tested for surveillance purposes only and no human or animal was exposed
  - Check other (specify) if an unusual exposure has occurred that does not fit in any of the above categories
    (please write specifics on line provided)
