**I can help!**

- Let me help you in the kitchen. I can:
  - Help decide which vegetables to have for dinner.
  - Rinse fruits and vegetables.
  - Tear lettuce.
  - Make "faces" with pieces of fruits and vegetables.
  - Put napkins, forks, and spoons on the table.
  - Put things into the trash.

- I might not be neat, but I’m doing my best. Sometimes I drop things because my fingers are still small.

- When I help you, I feel good. I’ll probably eat better too!

---

**Healthy Snack Recipe:**

**Yogurt Fruit Dip**

- In a small bowl, mix plain yogurt with a tablespoon of orange juice for a dip.
- Slice soft fruits to serve with the dip.

---

**Snacks are important!**

Healthy snacks help me grow.

- Plan my snacks, and don’t let me fill up on snacks all day long.

---

**Give me safe foods.**

- Give me foods that are bite-sized and soft enough for me to chew easily.
- Don’t give me foods that I can choke on: raw hard vegetables, whole grapes, spoonfuls of peanut butter, chips, nuts, popcorn, dried fruits, hot dogs, chunks of meat, and hard candy.
- Cut grapes in half, spread peanut butter thinly, cut hot dogs the long way.

---

**Trust me to eat the right amount.**

- My stomach is still tiny. Start with small servings, about 1 tablespoon of each food. Let me ask for more.
- Let me decide when I have had enough. Don’t force me to eat or make me “clean my plate.”
- Don’t worry if I don’t eat a meal or a snack. I’ll eat more on some days than others. Don’t bug me to eat or fix other foods for me.
- Serve me foods that I like along with a new food. You may need to offer me a new food 10 times before I’ll like it. This is normal.
- I’m learning about foods.
- I change my mind a lot. I may like a food one day and not the next. I’ll learn to like most foods.

---

**Look what I can do!**

- I like to do things for myself. Please say you are proud of me.
- I love to run, jump, and climb. Please watch me to keep me safe.
- I like to copy what you do, like cooking food, and talking on the phone.
- I’m learning new words. Talk, sing, and read to me so I can learn more. Teach me the names of things.

**Keep me safe and healthy.**

- Always put me in my car seat when we drive.
- Take me to my doctor and dentist.
- Help me brush and floss my teeth every day.
- Keep things that can hurt me out of my reach.
- Always watch me around water.
- Keep me away from cigarette, tobacco, and all other smoke.
- Too much TV, tablet, phone, or computer time isn’t good for me. An hour a day is enough.
- Put me down for my nap every day. I need some quiet time. Will you read me a story?
- Put sunscreen on me when I play outside.

Only a little bit

Start with small amounts and let me ask for more.

I like to say no!

Saying No! is my way of saying I want to do things for myself.
I like to make some choices. You know what foods I need to be healthy. Give me two choices of healthy foods and let me choose. Let me decide how much I want to eat.

I need to always sit when I eat or drink. Put me in my high chair or booster seat at the table with our family. I can eat most of our family foods. You don’t need to fix meals for me that are different from what you eat.
Give me a small spoon or fork, and a small plate and cup. I may still be messy when I eat. This is how I learn to feed myself!
Make sure we wash our hands before and after we eat.
