Healthy Starts and Transitions

CSHCN Program Updates

July 13, 2017

Maria Nardella
Manager, Healthy Starts & Transitions
Healthy Starts and Transitions Unit
(includes CSHCN Program)
July 2017

Promote integrated systems that improve access, linkages, and coordination directed towards health, early and ongoing learning and development, and safe environments for all children and their families.
HST Related Staff Changes

• Tory Henderson, ACEs Consultant has moved into the Child Health & Development Unit of Healthy Starts & Transitions

• New evaluation staff for AS3D and CHIL: Michelle Martinez started at DOH 6/16/17

• Kathy Chapman retired from DOH as the Section Manager for Access, Systems, and Coordination; Cynthia Morrison will be taking her place 7/16/17

  [website](http://www.tlcwhidbey.org)
Standards for Systems of Care for Children and Youth with Special Health Care Needs Version 2.0

June 2017
We **STILL** Need Your Help! WA Maternal and Child Health Public Input Survey

• Please promote the public input survey to your networks:
  https://fortress.wa.gov/doh/opinio/s?s=11219
• Share the survey anywhere you can, and encourage others to provide their input as well.
• Complete it yourself! Together, we can work to broaden the scope of our efforts and reach more Washingtonians in need
• **Survey closes August 15, 2017**
• You can use the message below (also in your draft minutes):

  *The Department of Health is committed to supporting healthy families and healthy communities by providing quality services and care. Are you happy with the health care you are receiving? Are there areas where we can improve for you and your children? Take our [survey](https://fortress.wa.gov/doh/opinio/s?s=11219) to provide your feedback and help us help you.*
Child Care Challenges for CSHCN

HeadStart and Early HeadStart

• Requirement to enroll at least 10% of their caseload as infants and children with special needs

• These families do not have to meet HeadStart income eligibility limits!

• Online HeadStart Locator at the Early Childhood Learning & Knowledge Center:
  
  [https://eclkc.ohs.acf.hhs.gov/center-locator](https://eclkc.ohs.acf.hhs.gov/center-locator)

• Waiting Lists turn over quickly as children age out of HeadStart Programs
Update on Pediatric - Transforming Clinical Practice Initiative (P-TCPI) Carry-Forward Projects
P-TCPI Carry-Forward Project Updates

Six P-TCPI carry-forward requests:
- Regional Care Coordination Project
- Person/Family Engagement Project
- Reach Out and Read
- Pathways Training
- Regional Training on Value-Based Care
- Telehealth Assessment
AS3D Updates

• Family Navigation Training is on the horizon for August 2017

• First Great MINDS-ASD Training is on the books for August 28th

• Telehealth Capacity Assessment in your inbox, complete by July 31st
