Children with Special Health Care Needs
King County ACH Region
Regional Care Facilitator: Kate Besch

Quarter: 4th Quarter 2017
County: King County

Accomplishments/Completions:
- Attended Smooth Way Home meetings in November and December.
- Met with Lois Schipper and Jacquie Stock at Seattle Children’s Hospital (SCH) to discuss Pediatric-Transforming Clinical Practice Initiative (P-TCPi) and children with special health care needs (CSHCN) in coordination with SCH.
- Attended King County Interagency Coordinating Council in November.
- Attended Best Starts for Kids (BSK) Prenatal to 5 meeting in November and December.
- Met with Dr. Shim and Program Manager from Public Health’s Medical Clinics to discuss joining P-TCPi.
- Attended Racism and Equity training.
- Met with Linda Eagan, SW at Overlake hospital to discuss P-TCPi and CSHCN.
- Met with Magan Cromar from Developmental Disabilities Administration / King County to discuss what Asset mapping activities were happening through BSK.
- Met with Meg Cary, head Pediatric Psychiatrist at Department of Community Health Services. Kyle Yasuda, Pediatric Medical Officer for BSK was also present.
- Participated in Parent Ally Workgroup.
- Collaborated in the coordination of the Northwest Region CSHCN Meeting for December.
- Meeting with Accountable Communities of Health (ACH) Executive Director to discuss P-TCPi. Christine Stalie, Practice Facilitator, also attended.
- Attended ACH meeting.
- Held Care Coordinator meeting.
- Developing working relationship with Practice Facilitator.

Hot Topics:
- Many other grants/programs working on very similar deliverables.

Challenges:
- Still have a lot of other duties from unfilled positions and current CSHCN work.
- ACH is very high level and will be difficult to access.

Suggestions for Improvement/Opportunities:

None at this time.
