The times on the agenda for this meeting are approximate and subject to change. The commission may need to adjust times or order of agenda items. The commission may take final action on any matter listed on the agenda, and/or on any matter added to the agenda in a regular meeting. The commission may meet in an executive session closed to the public for any reason listed in RCW 42.30.110, and may take final action in the public portion of the meeting following an executive session. The reason for the executive session and duration will be announced prior to the start of the executive session. The commission may meet in a closed session during this meeting for any reason listed in RCW 42.30.140, including but not limited to deliberations on enforcement (quasi-judicial) matters.

9:00 AM
1. Call to Order Tim Lynch, Chair Action
1.1 Meeting Agenda – October 24, 2019

9:05 PM
2. Public Comments – review public comments received on the draft rule chapter 246-945 WAC Pharmacy Quality Assurance Commission – rule rewrite. Stakeholder open comment periods following rule sections/parts. Continuation from October 23 meeting.

The purpose of the open forum is to provide the public an opportunity to share comments, suggestions, or concerns not previously addressed in the review of the draft rule parts discussed during the meeting.

5:00 PM approximately
Business Meeting Adjourned.

Pharmacy Quality Assurance Commission
Mission Statement
The mission of the Pharmacy Quality Assurance Commission is to promote public health and safety by establishing the highest standards in the practice of pharmacy and to advocate for patient safety through effective communication with the public, profession, Department of Health, Governor, and the Legislature.

Vision Statement
The Washington State Pharmacy Quality Assurance Commission leads in creating a climate for the patient-focused practice of pharmacy as an integral part of an accessible, quality-based health care system.

- As a result, the citizens of Washington State:
- Are well informed about medications;
- Take responsibility for their health;
- Utilize pharmacists and other health care providers appropriately; and
- Experience the highest level of health and wellness.
