7:00pm

The meeting was brought to order by Laurie Soine after technical difficulties. The number to access  
the meeting distributed to the public was not correct so individuals were not able to access the  
meeting.

7:10pm

Since the public and some subcommittee members did not have the correct number to join the  
meeting, Laurie Soine as Chair of the subcommittee cancelled the meeting and requested agenda  
items be moved forward to future meetings.

7:10-8:00pm

One public member Louise Kaplan had arranged for her entire class of graduate nursing students to  
join the meeting and they were able to access the meeting. Since the students, several subcommittee  
members, and staff were on the line, the rest of the time was used to answer questions and give  
information to the students about the Nursing Commission.
