HEPATITIS C CONSULTATION SERVICE

(844) 437-4636 or (844) HEP-INFO

9AM - 5PM PT, M-F

Call the Clinician Consultation Center (CCC) for no-cost, up-to-date, expert clinical advice to support clinicians managing patients with hepatitis C (HCV) and co-morbidities such as HIV co-infection or substance use disorder. Advice provided is based on Federal treatment guidelines, current medical literature, and clinical best practices.

Consultation topics include:
- HCV transmission & prevention
- HCV screening & diagnostic testing
- HCV staging & monitoring
- Regimen selection & dosing
- Drug interactions
- HIV/HCV management strategies
- Prior HCV treatment failure
- ESRD/chronic kidney disease
- Management of clinical problems— including cirrhosis and anemia
- HCV in pregnancy
