Endorsement:
The Board of Nursing Home Administrators (BNHA) may endorse a nursing home administrator currently licensed in another state if that state has requirements equivalent to the requirements in Washington State. Washington State requires a 1,500 hour administrator-in-training program. A state which requires fewer hours may not be considered equivalent. Please see the next page for the list of states considered to have substantially equivalent requirements.

If you were originally licensed in a state with substantially equivalent requirements, complete numbers 1 through 7 on the application form and submit the endorsement application fee. If you have successfully completed the National Association of Boards of Examiners for Nursing Home Administrators (NAB) examination, you will not be required to take it again. If you or your preceptor feels your experience qualifies you under WAC 246-843-090 for less than 1,500 hours in AIT program time, you may submit a statement with your application as to your request, and what experience you feel qualifies you for licensure.

A temporary practice permit may be issued for a period up to six months. The permit holder is not eligible for a subsequent permit. The permit is valid only for the specific nursing home for which it is issued and must terminate upon the permit holder’s departure from the nursing home, unless otherwise approved by the board.

2. Personal Data Questions

1. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? If yes, please attach explanation. ...........................................☐ ☐

   “Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disabilities, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

   If you answered yes to question 1, explain:

   1a. How your treatment has reduced or eliminated the limitations caused by your medical condition.

   1b. How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

   Note: If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

   The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain. ...........................................☐ ☐

   “Currently” means within the past two years.

   “Chemical substances” include alcohol, drugs, or medications, whether taken legally or illegally.

3. Have you ever been diagnosed with, or treated for, pedophilia, exhibitionism, voyeurism or frottéurism? ................................................................. ☐ ☐

4. Are you currently engaged in the illegal use of controlled substances? ................................................................. ☐ ☐

   “Currently” means within the past two years.

   Illegal use of controlled substances is the use of controlled substances (e.g., heroin, cocaine) not obtained legally or taken according to the directions of a licensed health care practitioner.

   Note: If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

5. Have you ever been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction? ... ☐ ☐

   Note: If you answered “yes” to question 5, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

   To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be delayed or denied.
2. Personal Data Questions (cont.)

6. Have you ever been found in any civil, administrative or criminal proceeding to have:
