1. **RN License (verification of license by examination)**

   You must visit [www.nursys.com](http://www.nursys.com) and follow their directions to verify your original license by examination to Washington. There is a fee you will pay to NURSYS® for this service.

   **Note:** To ensure no delays, please have this completed prior to sending your application.

   If your original state of license does not participate with NURSYS®, send the Non-NURSYS verification form in this application packet to that Board of Nursing. Request they complete the form and send it directly back to our office. Contact their Board of Nursing to determine if there is a processing fee and where to submit this form.

2. **Verification of Education**

   If your nursing education cannot be verified from your original state of license on NURSYS® or on our Non-NURSYS license verification form, transcripts will be required. The transcripts will need to be sent directly from your school of nursing or from another state board of nursing directly to our office. If you were educated outside the United States, transcripts are required as well.

3. **English Proficiency Exam**

   An English Proficiency test is required for all LPN and RN license applicants who received their nursing education out of the United States except for Canada (Quebec requires the English Proficiency test), United Kingdom, Ireland, Australia, New Zealand, Samoa, Guam, Mariana Islands and Virgin Islands. You must take and pass either the Test of English as a Foreign Language (TOEFL) [www.toefl.com](http://www.toefl.com) or International English Language Testing System (IELTS, academic version) [www.ielts.org](http://www.ielts.org). This exam is required regardless of whether the program was taught in English.

   - Passing TOEFL scores for RN applicants are a total score of 83 with a speaking score of 26, institution code is 7292.
   - Passing IELTS scores for RN applicants are a total score of 6.5 with a score of 6.0 in the following areas; listening, reading, writing, and speaking.

   For applicants educated in countries not listed above and who can provide proof of working as a Registered Nurse in another U.S. State for 1,000 hours or more may have the English proficiency exam waived. Should you want this requirement waived based on employment, please have the current or past US employer submit a letter on letterhead paper confirming your employment of 1,000 hours worked sent directly to our office.

4. **Proof of a current/active RN License**

   If your license from your original state is not current or active, we will need proof of a current or active license. If you have an active license from a state that participates with NURSYS®, we can obtain license information. If you do not have a current or active license with a NURSYS® participating state, visit the state website where your license is active, print the page showing a current or active license, and send with your application.

5. **NCLEX**

   If you obtained your nurse education outside the United States, Washington State requires you to pass the United States national exam, the NCLEX-RN. If you do not have a license in another state or you have not taken the NCLEX-RN exam, please visit our [website](http://www.doh.wa.gov) for the correct application.
