Affidavit of An Out of State Formal Academic
Pharmacy Technician Education and Training Program

This form is used to report education and training received outside of Washington State. It may not
be used to report education and training received in Washington State.

The Affidavit of An Out of State Formal Academic Education and Training Program form must
be accompanied by official transcripts showing a diploma earned and extern hours completed
for pharmacy technician. The form must be completed by an official representative of the formal
education program. Any sections left blank will result in an incomplete or deficient application.

Official Representative or Registrar's Attestation

I declare under penalty of perjury under the laws of the state of Washington the following is true and
correct:

I am the person that oversees the pharmacy technician training program.
  • I personally supervised or have knowledge of the applicant’s successful completion of a
    program of education and training for pharmacy technician in the pharmacy identified below
    and licensed by the state of___________________________________________________________.
  • I attest that the training program completed by the applicant included a total of ___________
    hours of classroom instruction.
  • I attest that the training program completed by the applicant included a total of ___________
    hours of experiential/practical training.
  • I attest that the technician training program included at a minimum the following topics of
    instructions and practical training:

☐ Legal aspects of pharmacy practice such as law and rules governing practice.
☐ Hygiene/aseptic techniques and safety considerations.
☐ Terminology, abbreviations and symbols.
☐ Components of a prescription and patient medication record.
☐ Drug dosage forms, routes of administration and drug product packaging, weighing and
  measuring, packaging and labeling, drug nomenclature, drug standards and information sources.
☐ Pharmaceutical calculations.
☐ Identification of drugs by trade and generic names, and therapeutic classifications.
☐ Ordering, restocking, and maintaining drug inventory.
☐ Computer applications in the pharmacy.
☐ Communication techniques and confidentiality of information.

I attest that the program of instructional and supervised practical training is outlined in the attached
written plan that shall be available to the Pharmacy Quality Assurance Commission upon request.
