License Requirements

This is information to apply for a Pharmacist License by exam for Foreign Graduates. For more information visit our website.

Note: All non-English documents must be translated before sending copies to the commission.

General Information

1. If your academic training in pharmacy is from a foreign country, you must take and pass the Foreign Pharmacy Graduate Equivalency Examination (FPGEE) and provide an education equivalency certification from the Foreign Pharmacy Graduate Education Commission (FPGEC). If you do not have your FPGEE score sheet and FPGEC certification, to begin the FPGEC application process, contact the National Association of Boards of Pharmacy (NABP) at https://nabp.pharmacy/. When you have completed all of the necessary requirements, NABP will advise you to register for the FPGEE and TOEFL iBT (English language proficiency exam).

2. Washington State uses the North American Pharmacist License Exam (NAPLEX) to test your knowledge, judgment and skills as an entry-level pharmacist. Multistate Pharmacy Jurisprudence Examination (MPJE) tests you on both federal, state laws, and rules.

3. The Pre-NAPLEX practice examination is available on the NABP website at https://nabp.pharmacy/.

4. You must submit a computerized exam registration form for both the NAPLEX and MPJE at https://nabp.pharmacy/ or mail it to 1600 Feehanville, MT. Prospect IL 60056. You may complete the registration forms and submit the payment by credit card, VISA or Master Card, at the NABP Website. If you do not have a credit card and prefer not to register online, you can get the paper registration forms by sending a request with your name and address to our Customer Service Office at hsga.csc@doh.wa.gov, or by calling 360-236-4700.

5. To receive your Authorization to Test (ATT):
   • Register with and pay exam fees to the NABP.
   • Submit all items required before testing to our office. Once the above steps have been completed, Washington State Pharmacy Quality Assurance Commission will then release your name to the NABP as “ready to test”. The NABP will send your ATT.
   • We will notify you of your test results. Contact Office of Customer Service at 360-236-4700 if you have questions about licensure in Washington State.

6. Reporting internship hours: Qualifying internship hours must be earned under the
personal supervision of a preceptor/licensed pharmacist, in a licensed pharmacy in the United States. The pharmacist's license and preceptor certification (if applicable) is active and in good standings. Use the preceptor Evaluation and Certification of Experience and Intern Site Evaluation forms to report these hours to the Washington State Pharmacy Quality Assurance Commission for each location.

The applicant's Foreign Pharmacy Graduate Equivalency Examination (FPGEE) score determines the number of internship hours required to qualify for licensure and authorization to sit for the national board exam.

<th>Yes</th>
<th>No</th>

1. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? If yes, please attach explanation.  

   "Medical Condition" includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disabilities, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

   If you answered yes to question 1, explain:

   1a. How your treatment has reduced or eliminated the limitations caused by your medical condition.
   1b. How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

   **Note:** If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

   The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain.  

   "Currently" means within the past two years.  

   "Chemical substances" include alcohol, drugs, or medications, whether taken legally or illegally.

3. Have you ever been diagnosed with, or treated for, pedophilia, exhibitionism, voyeurism or frotteurism?  

4. Are you currently engaged in the illegal use of controlled substances?  

   "Currently" means within the past two years.

   **Illegal use of controlled substances** is the use of controlled substances (e.g., heroin, cocaine) not obtained legally or taken according to the directions of a licensed health care practitioner.

   **Note:** If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

5. Have you ever been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction?  

   **Note:** If you answered “yes” to question 5, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

   If you have been granted certificate(s) of restoration of opportunity, please provide a certified copy of each certificate.

   To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be delayed or denied.
