Medical Documentation

1. Client Services Medical Documentation will migrate to Cascades.
   - Only the most recent active Medical Documentation will migrate.
   - The last checks and foods are migrated if there are checks issued.
   - An automatic alert about the Medical Documentation will pop up in Cascades.

2. Review Cascades food prescriptions before issuing benefits.
   - It’s possible errors will occur during migration.
   - Review each food prescription before issuing benefits, especially for participants with Medical Documentation.
   - Modify or update the food prescription if needed.
