| 1 Begin by changing or confirming the text size is 100%. This allows full functionality in Cascades.  
- Right click anywhere on the desktop  
- Go to Display (left side of screen)  
- Go to Change the size of text, apps and other items  
- Click on the bar, move to the left till at 100%  
- Select apply | ![Cascades Screen Image] |
| 2. The Coordinator must have a Test SAW account. If you don’t have a Test SAW account, take these steps in Handout 2; Steps 1-23.  
**NOTE:** This is not the same SAW account you use for SharePoint or other businesses. | ![Test SAW Account Image] |
3. Click on the Cascades Sandbox, “S” icon on your desktop.

4. Before new staff can get access to the Cascades Sandbox, the Coordinator must:
   - add the staff person’s User Account or
   - give the staff person access to the agency, if their User Account already exists

If you’re a Coordinator and aren’t able to log into the Cascades Sandbox, call Cascades Support.
   a. Log into the Cascades Sandbox at the Agency level (not the clinic).
   b. On the Menu bar, go to:
      - Administration
      - Security
      - Search Users
   c. Enter the staff person’s last name in the Last Name field.
   d. Select Search.
      **NOTE:** If the user doesn’t exist, follow the instructions found in Step 6 of this handout “Create a New Cascades User Account”.
   e. Click on the pencil (left) to open the staff person’s file.
   f. Capture each staff person’s name and User name to provide to the staff person. He or she will need this information for Handout 2 when linking the

Only a person with Clinic Administrator role can verify the accounts.
Test SAW account with the Cascades Sandbox account.  
This is the format:
- First initial
- Middle initial
- Last name

Example: mjsmith for Mary Smith

5. **Once there is a User Account and it’s assigned to the agency,**
   - The staff person can sign up for a TEST Secure Access Washington (SAW) Account.

   Clinic staff use Handout 2: Set-up Test Secure Access Washington (SAW) User Account.

   The staff person will need the Cascades Sandbox User ID (Step 4) and the Service Code (If you don’t know the Service Code, call Cascades Support)

6. **Create a new Cascades User Account**
   a. Select the Add User button.
   b. Enter the following:
      - User Type: WIC Staff
      - User ID (must be unique)

      **Required to use this format:**
      - First initial
      - Middle initial
      - Last name

      Example: mjsmith for Mary Jane Smith

      **NOTE:** Add a number at the end of the User ID ***only*** if Cascades notifies you a duplicate User ID exists.
   c. Leave GUID field empty.
Once the new User ID gets linked with the user’s SAW account, a number populates this field; **NEVER make a change to the GUID field.**

d. Start Date auto-populates to current date.

e. End Date; leave blank until the person leaves WIC.

f. User name, Last and First name.

g. E-mail address.

**NOTE:** This is the address where the User receives the code to allow Cascades Sandbox access. **Only one email address is allowed.**

h. Role(s) under Add Roles.

i. Clinic locations.

- Open the tree (triangle) to open the different agency locations.

  Check/uncheck boxes identifying the clinics staff person has access.

  **NOTE:** The staff person may have worked for another agency in WIC so the account exists. The Coordinator will need to give access to the agency.
  
  Contact Cascades Support if you need help.

j. **Save** at the bottom right corner of the screen.

**Inactivate a User Account**

a) Log into the Cascades Sandbox at the Agency level (not the clinic).
b) On the Menu bar, go to:
   - Administration.
   - Security.
   - Search Users.

c) Enter the staff person’s last name in the Last Name field.

d) Select Search.

e) Click on the pencil (left) to open the staff person’s name.

f) Uncheck Active.

g) Enter the Inactivation Reason.
   - If the staff person obtains a job at another WIC agency or comes back to your agency, check the Active box to make the account Active again.
   - Add a new Start Date and leave the Inactive Date blank.

h) Select Save.
   - Do not select the Archive check box. You can’t reverse this action to the User Account.

i) Only select the Archive box to archive the User profile for the following reasons:
   - Death.
   - Fraud/Corruption.
   - Other.

The user now shows as Archived versus Active in the Search Results.
