BACKGROUND

The purpose of the United States Department of Agriculture Food and Nutrition Service (USDA-FNS) Farmers Market Nutrition Programs is to “provide resources in the form of fresh, nutritious, unprepared, locally grown fruits, vegetables and herbs from farmers markets and farm stores to women and children who are nutritionally at risk and who are participating in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC FMNP), as well as qualified low-income seniors through the Senior Farmers Market Nutrition Program (Senior FMNP)”.
