What can the grant cover?
Qualifying families may receive up to $5,000 per child per year ($10,000 lifetime max.) for expenses such as medical treatment, services or medications, such as surgery, therapy, dental care, orthodontics, eyeglasses, hearing aids, and physical, occupational, and speech therapies.

The qualified child receives necessary medical services/treatments from licensed or qualified provider.

The family receives invoice(s) from provider(s) with confirmation that insurance benefits have been maximized.

The family submits their uncovered bills to UHCCF, who will review and approve the submitted expenses and pays the provider(s) directly.

To apply, donate, or learn more, please visit UHCCF.org. Go on. Be a HERO.
