Application for Registration Proprietary Treatment Product

GENERAL REQUIREMENTS FOR SUBMITTAL

All submitted material must be legible. Handwritten responses to the application questions or hand-written notes or other submitted documentation may, at the discretion of the department, result in rejection of the application. Products within a single series or model line (sharing distinct similarities in design and materials) may be registered under a single application. Products outside of the series or model line must be registered under separate applications.

INITIAL PRODUCT REGISTRATION REQUIREMENTS

Manufacturers who wish to sell or distribute a proprietary product for use in Washington State must request and obtain department review and registration of their products by submitting this completed application form, plus the following:

- (a) A comprehensive, yet concise, response to the information outlined on page four (4), and
- (b) The proprietary product registration fee described in WAC 246-272-2000.

RENEWAL REQUIREMENTS

All product registrations expire on December 31 of each year. Manufacturers who wish to continue product registration must apply for renewal by submitting an Annual Renewal Form Proprietary Product (DOH Pub 337-076).

For more information contact (360) 236-3330 or wastewatermgmt@doh.wa.gov.
