Pharmacy Quality Assurance Commission

Mission Statement

The mission of the Pharmacy Quality Assurance Commission is to promote public health and safety by establishing the highest standards in the practice of pharmacy and to advocate for patient safety through effective communication with the public, profession, Department of Health, Governor, and the Legislature.

Vision Statement

The Washington State Pharmacy Quality Assurance Commission leads in creating a climate for the patient-focused practice of pharmacy as an integral part of an accessible, quality-based health care system. As a result, the citizens of Washington State:

- Are well informed about medications.
- Take responsibility for their health.
- Utilize pharmacists and other health care providers appropriately; and
- Experience the highest level of health and wellness.
